DIRECTORS ARE ELECTED

First National Names Old Board, Savings and Trust Company Adds Two New Members.

At the annual meeting of the stockholders of the First National Bank and the Charleroi Savings and Trust company yesterday, reports were made to the effect that both institutions are in the best of conditions. The Bank of Charleroi held its annual meeting last week, and a similar report was made. New directors were elected for the three banks as follows:

First National—John K. Tener, George A. Macbeth, S. A. Walton, R. H. Rush, George S. Might, George E. Tener, D. M. McCloskey. The officers will be elected by the directors at a later meeting, probably some time this month. The directors are the same as last year.

Charleroi Savings and Trust—George A. Macbeth, Joseph Underwood, J. K. Johnston, John K. Tener, H. S. Piersol, D. M. McCloskey, R. C. Mountsier, W. A. Hoge, J. M. Walton, J. H. Moffitt, Nathan Greenberg. Two new names appear in this list, those of Nathan Greenberg and R. C. Mountsier. Officers will be elected at a later date.

Bank of Charleroi—T. L. Daly, John C. McKean, T. P. Grant, A. W. Mellon, H. J. Steele, Cary Piper, J. J. Hott, W. I. Berryman, C. F. Thompson, J. P. Duvall, W. W. Jameson. T. L. Daly has been elected president and John C. McKean, vice president. The board is the same as last year.

R. H. Rush, cashier of the First National Bank, said that the bank enjoyed a very prosperous year during 1910 and that the prospects are for a good year in 1909. The demands for loans are good.

E. W. Hastings, cashier of the Charleroi Savings and Trust company, said that the past year had been most prosperous, and in reality the most successful since the institution organized.

Kerfoot W. Daly, cashier of the Bank of Charleroi stated that during the past year the surplus had been brought up to and had passed the \$200,000 mark. The earnings were good, he said, and the bank cleared 31 and a fraction per cent. The average earnings are about 33 per cent a year. Dividends have been declared of per cent semi-annual.

Husband Threw Glass at Spouse

The police are looking for the husband of Mrs. Margaret Labovitz, of Monessen, who is alleged to have playfully thrown a heavy glass at her anatomy, the missile striking her in the face, and cutting a big, long gash, that required five stitches to close up. The wound was dressed by Dr. M. J. Cramer. Immediately after the trouble the husband disappeared, and has not been seen since.

PROMINENT MAN WEDDED TUESDAY

At high noon yesterday at the parsonage of Rev. Tharp, pastor of the First Christian church of Northside, Pittsburg, was solemnized the marriage of John O. Watson, one of North Charleroi's most prominent citizens, and Mrs. Eliza J. G. Simenson of Pittsburg. The wedding was a quiet one. The couple left on an afternoon train for Cleveland, Ohio, where they will visit for a few days, then go to Buffalo N. Y., and Niagara Falls where they will take in the sights, to return to North Charleroi in the course of ten days or two weeks, where they will make their future home.

Mr. Watson is one of the best known business men of this section. He has lived in North Charleroi for many years and has been successively a prominent riverman, merchant and postmaster. At present he is connected actively with the Valley Crystal Ice and Storage company of which he is vice president. He was a former member and president of the council at North Charleroi, retiring last year. During his term there he did much for improving the town, and showed a commendable civic interest in all things, and worked hard to secure what the town most needed. As a former riverman he is well known all along the Monongahela valley, and enjoys the respect of a host of acquaintances.

Mrs. Watson was formerly head of the cutting department of McGreer's store. She is highly accomplished and has a large acquaintance, being a favorite among her large circle of friends.

Mr. and Mrs. Charles Umbel and Charles Howard are attending the matinee at the Alvin in Pittsburg this afternoon.

Mrs. William Stager is spending the day in West Elizabeth and Elizabeth with friends.

Newell L. Clark, department manager of J. W. Berryman and Sons store is a business visitor today in Pittsburg.

Miss Hope Patton, after spending the holiday vacation with her parents, Dr. and Mrs. N. W. Patton of Washington avenue, has returned to school at Waynesburg.

CHANGE MADE IN THE LOCAL OFFICE FREE DOCUMENTS MAY BE SECURED

Charleroi Adams Express Members of Congress Allowed Certain Quota for Distribution.

W. H. REESE RESIGNED

This morning witnessed a surprising change in the local Adams Express office management, when W. H. Reese, who has been in charge for several years relinquished his position to accept a more lucrative one as bookkeeper for the Charleroi Lumber company, and Jesse Wagner, a former Charleroi boy, was advanced in the place. Mr. Reese relieves Hiram M. Smith as bookkeeper at the Charleroi Lumber company. Mr. Smith having resigned some time ago when the Charleroi Automobile company was formed, he being one of the stockholders and officials of the company. Mr. Wagner has lately been bill clerk in the Greensburg office of the Adams Express company, and the advancement to agent of the Charleroi office is welcome as well as a deserved promotion.

MARIANNA GANG IS ARRESTED FOR THEFT

State Trooper McLaughlin brought from Marianna, his new station, two Russians members of the gang rounded up by the State police at Marianna, and lodged them in jail at Washington in default of bail to be held for court. The men, Robert Brown and Miles Brown, seem to be members of a gang that was broken up in the nick of time by the State troopers. It is charged that the gang has been the cause of much petty thieving in that section of late and the raid was made on general principles rather than for any specific crime. Many chicken coops have been pilaged and this is charged to the bunch. State police were of the opinion that had the gang not been broken up operations would soon have been conducted on a more extensive scale. The other offenders settled.

CHARLEROI REAL ESTATE AGENCY ELECTS OFFICERS

The stockholders of the Charleroi Real Estate Agency held their annual meeting yesterday and elected directors for the ensuing year. Reports were made to the effect that the past year has been a successful one, although the financial depression had prevented as large a business as possible. The directors elected were: J. J. Hott, J. K. Tener, C. F. Thompson, George Nash, L. Beigel, J. Frew, and W. C. Fishburn. J. J. Hott is president and F. P. McCloskey, secretary-treasurer.

Ellsworth Mines Being Inspected

Ten mine inspectors arrived in Ellsworth yesterday and began a rigid investigation of condition at shaft No. 1 at that place. It is expected that the inspection will be completed today. A Government inspection was also made at the Ellsworth mines Nos. 1 and 2 yesterday. The party consisted of Inspectors McVaccam, Roby, Pratt, Bell, Adam, Cuninghame of Charleroi and several others from nearby towns.

WILL PLAY FOR CHAMPIONSHIP

A series of five games to decide the basketball championship of the upper Monongahela valley has been arranged to be played between the Colonial team of Charleroi and the Brownsville team. These two teams are conceded to be the fastest in the upper Monongahela valley, and are very evenly matched. Two games have been played by them this season, each team capturing one. Two games will be played in Brownsville and two in Charleroi, the fifth to go, where the most interest is shown. It is probable the first one will be played next week. The Charleroi five is composed of Frank Mangan, Thomas Mangan, Albert Wilson, Lance Riggs, Frank Buchanan, and Ed. Miller.

Demonstrator Recalled.

Miss Helen Fox, who was here some time ago demonstrating the D. T. Owens famous Da-Veno, at Pfleghard's Furniture store, is back again, and is doing the same work at the Pfleghard store. Miss Fox made a decided success in this line of work while here before. She was immediately called to Cleveland, Ohio, to do demonstration work for the mammoth furniture emporium of Conrad, Barch & Co. where she has been ever since. The Da-Veno is a davenport bed, having the good qualities of both combined in one.

The Ducklings.

Tonight Harry Williams big burlesque show, "The Ducklings," will appear at the Coyle Theatre. This troupe is composed of a big company of comedians and comedienne, together with a big beauty chorus, which has been selected for its comely appearance as well as its musical and persichorean talent. The opening burletta will introduce the whole company in a number of artistic dances and ballets, in which the latest and most popular songs will figure. The role of the comedians will also be an exceedingly entertaining feature. In the olio will be found some of the most clever and novel features to be seen anywhere on the road. These are specially selected for their "ginger" and sprightliness, and the comedy interjected makes a most hilarious entertainment. The closing burletta will contain some novel and startling numbers.

Will Lecture to Young Men.

A lecture will be given under the auspices of the Young Men's Social Union in the Sunday school room of St. Mary's Episcopal church tomorrow evening. Alfred P. Stewart will be the speaker. His subject will be "Reminiscences." Mr. Stewart has traveled the world over while in the United States navy, and is well prepared to give an interesting talk. No admission will be charged, and all are invited. Coffee and sandwiches will be served by the young men.

Do We Have Horror of Sin?

At the Methodist church Rev. John Allison a returned missionary of Sydney Australia, preached last evening. He gave a most interesting talk, his general theme being our regard for sin and its consequences. He asked the question "Are we horrified at sin, or are we in a groove?" He said that we must waken to the spiritual needs of our fellow men, and be a blessing to others, as others should be a blessing to us.

Residents of Latter Place do Not Favor the Proposition.

WORKERS ARE OUT NOW

Canvassing the Allegheny Valley on the Westmoreland Side to Get Backers.

There is a movement on foot, it is said, to whack a slice off of Westmoreland county and add it to Allegheny county. The scheme was inaugurated by the latter county, and seems to be a desire to capture some additional wealth. Petitions are in circulation along the Allegheny valley for the purpose of annexing Arnold, New Kensington, Parnassus and adjacent territory to Allegheny. Originally all of Western Pennsylvania was part of Westmoreland county. Other counties were created from time to time by slicing off parts, but this process was stopped some years ago, and in the opinion of Westmoreland residents will not be resumed unless it is possibly to form a new county out of part of Westmoreland, Washington and Fayette counties, to take care of the large volume of business that is piling up from the river district.

Westmoreland county residents, it is understood are opposed to the idea of Allegheny county annexing part of their territory, even though it be in the Pittsburg district.

Catholic Total Abstinence Dance Is Well Attended

The Catholic Total Abstinence Union held a dance last evening in the Bank of Charleroi hall for the benefit of St. Jerome's congregation. A large crowd attended, many coming from out of town. There were people present from Charleroi, Monessen, Donora, Monongahela, Brownsville, California, Roscoe, Belle Vernon, and other places. Dancing was from 8 to 1 o'clock, music being furnished by Jenkins' orchestra. The affair was one of the two social events to be held previous to Lent, by societies of St. Jerome's church and was especially enjoyable. The L. A. A. of the O. will hold a dance and euchre the first part of February.

Children's Home Quarantined.

Quarantine was placed on the Washington County Children's Home at Arden after two deaths occurred, one from measles, the other from diphtheria. There are now 30 cases of the former disease and two of the latter. The dead children are Cora and Mary Sturdevant, the former dying of diphtheria.

Our new building is only up to the top of the basement.

Old Boreas with his icy breath has suspended all operations on our new building and blasted our hope of getting into our new quarters on time.

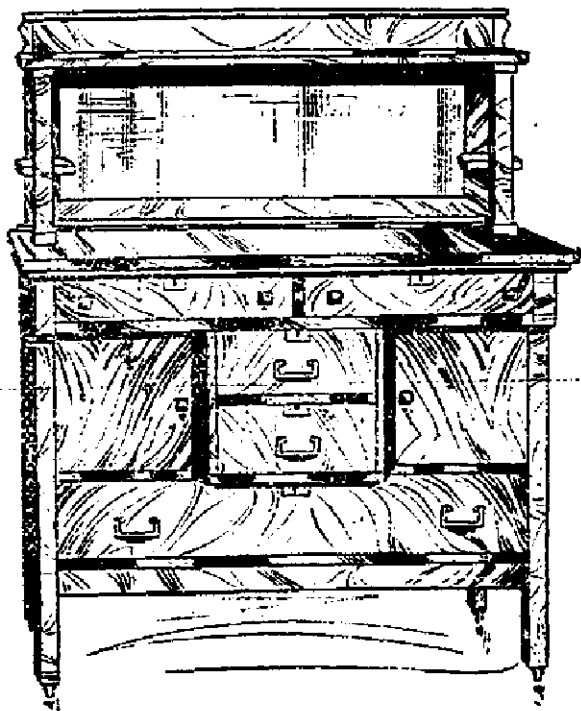

There's only one way out of it

That's to sell the goods and sell 'em quick. Price will have to accomplish this. We have tried in our years of business to establish a reputation for handling a good dependable line of merchandise. This, we believe, we have done. Now what we have to offer is of this class of goods. Not goods bought purposely for a sale and trucked about from one place to another until they would be dear at any price, but goods carefully selected, with the expectation of selling them to our neighbors and friends and giving one dollar's worth of value for every one hundred cents spent with us. As it has turned out we must give one dollar's worth of value for about 60 cents

TO ILLUSTRATE THIS YOU WILL NOTICE THE QUOTATIONS BELOW

Good Literature.

Elsewhere in this issue is presented a list of Farmers' Bulletins prepared by Uncle Sam's staff of experts, which will be furnished free to those who make application to Congressman J. K. Tener. These bulletins, which are most valuable to the farmer and housewife, are arranged in sets of five, and Mr. Tener has the privilege of giving one set to each person in his district who applies.

These bulletins are not mere opinions or suggestions, like the ordinary "dope" found in many agricultural papers. On the contrary they are the result of a line of practical experiments at the various Government agricultural stations maintained for that purpose. As frequently remarked, there never was a time when farmers can avail themselves of so much valuable information as at the present day. Both Nation and State are doing for the farmer what he has had to work out by hard experience in the past, and by availing himself of this information he can escape many of the handicaps that were his previous lot. Not only is the farmer rendered valuable assistance by these scientific experts, but the housewife and the whole community is given valuable assistance. These bulletins are most valuable, and all should avail themselves of the offer.

TIME IS THE TEST

The Testimony of Charleroi People Stands the Test.

The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and merit alone will stand the test of time.

Charleroi people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills; they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? A cure that lasts is the kind that every sufferer from kidney ills is looking for.

Mrs. Charles Bromwich, 714 Washington Ave., Charleroi, Pa., says: "About two years ago I had a severe attack of kidney disease and suffered a great deal from pains in the small of my back. I was also subject to headaches and a feeling of languor and although I tried a number of remedies, I was not helped. Doan's Kidney Pills were finally recommended to me and deciding to try them, I procured a box at Piper Bros.' Drug Store. In a few days after using this remedy, I felt a great deal better and before long a complete cure was effected. Doan's Kidney Pills have my highest endorsement." Statement given September 30, 1907.

CURED PERMANENTLY.
On November 6, 1909, Mrs. Bromwich said: "I can recommend Doan's Kidney Pills as highly today as when I gave a public statement in their favor two years ago. The cure this remedy effected has been permanent."

Answer This Question

When shown positive and reliable proof that a certain remedy had cured numerous cases of female ills, wouldn't any sensible woman conclude that the same remedy would also benefit her if suffering with the same trouble?

Here are two letters which prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

Fitchville, Ohio.—"My daughter was all run down, suffered from pains in her side, head and limbs, and could walk but a short distance at a time. She came very near having nervous prostration, had begun to cough a good deal, and seemed melancholy by spells. She tried two doctors but got little help. Since taking Lydia E. Pinkham's Vegetable Compound, Blood Purifier and Liver Pills she has improved so much that she feels and looks like another girl."—Mrs. C. Cole, Fitchville, Ohio.

Irasburg, Vermont.—"I feel it my duty to say a few words in praise of your medicine. When I began taking it I had been very sick with kidney and bladder troubles and nervous prostration. I am now taking the sixth bottle of Lydia E. Pinkham's Vegetable Compound and find myself greatly improved. My friends who call to see me have noticed a great change."—Mrs. A. H. Sanborn, Irasburg, Vermont.

We will pay a handsome reward to any person who will prove to us that these letters are not genuine and truthful—or that either of these women were paid in any way for their testimonials, or that the letters are published without their permission, or that the original letter from each did not come to us entirely unsolicited.

What more proof can any one ask?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address: Mrs. Pinkham, Lynn, Mass.

E. W. Hastings, cashier of the Charleroi Savings and Trust company, said that the past year had been most prosperous, and in reality the most successful since the institution organized.

Kerfoot W. Daly, cashier of the Bank of Charleroi stated that during the past year the surplus had been brought up to and had passed the \$200,000 mark. Husband Threw Glass at Spouse

The police are looking for the husband of Mrs. Margaret Labowitz, of Monessen, who is alleged to have playfully thrown a heavy glass at her anatomy, the missile striking her in the face, and cutting a big, long gash, that required five stitches to close up. The wound was dressed by Dr. M. J. Cramer. Immediately after the trouble the husband disappeared, and has not been seen since.

PROMINENT MAN WEDDED TUESDAY

At high noon yesterday at the parsonage of Rev. Tharp, pastor of the First Christian church of Northside, Pittsburg, was solemnized the marriage of John O. Watson, one of North Charleroi's most prominent citizens, and Mrs. Eliza J. G. Simenson of Pittsburg. The wedding was a quiet one. The couple left on an afternoon train for Cleveland, Ohio, where they will visit for a few days, then go to Buffalo N. Y., and Niagara Falls where they will take in the sights, to return to North Charleroi in the course of ten days or two weeks, where they will make their future home.

Mr. Watson is one of the best known business men of this section. He has lived in North Charleroi for many years and has been successively a prominent riverman, merchant and postmaster. At present he is connected actively with the Valley Crystal Ice and Storage company of which he is vice president. He was a former member and president of the council at North Charleroi, retiring last year. During his term there he did much for improving the town, and showed a commendable civic interest in all things, and worked hard to secure what the town most needed. As a former riverman he is well known all along the Monongahela valley, and enjoys the respect of a host of acquaintances.

Mrs. Watson was formerly head of the cutting department of McGreer's store. She is highly accomplished and has a large acquaintance, being a favorite among her large circle of friends.

Mr. and Mrs. Charles Umbel and Charles Howard are attending the matinee at the Alvin in Pittsburg this afternoon.

Mrs. William Stager is spending the day in West Elizabeth and Elizabeth with friends.

Newell L. Clark, department manager of J. W. Berryman and Sons store is a business visitor today in Pittsburg.

Miss Hope Patton, after spending the holiday vacation with her parents, Dr. and Mrs. N. W. Patton of Washington avenue, has returned to school at Waynesburg.

CHANGE MADE IN THE LOCAL OFFICE

Charleroi Adams Express Agency in New Hands Beginning this Morning.

W. H. REESE RESIGNED

This morning witnessed a surprising change in the local Adams Express office management, when W. H. Reese, who has been in charge for several years relinquished his position to accept a more lucrative one as bookkeeper for the Charleroi Lumber company, and Jesse Wagner, a former Charleroi boy, was advanced in the place. Mr. Reese relieves Hiram M. Smith as bookkeeper at the Charleroi Lumber company, Mr. Smith having resigned some time ago when the Charleroi Automobile company was formed, he being one of the stockholders and officials of the company. Mr. Wagner has lately been bill clerk in the Greensburg office of the Adams Express company, and the advancement to agent of the Charleroi office is welcome as well as a deserved promotion.

MARIANNA GANG IS ARRESTED FOR THEFT

State Trooper McLaughlin brought from Marianna, his new station, two Russian members of the gang rounded up by the State police at Marianna, and lodged them in jail at Washington in default of bail to be held for court. The men, Robert Brown and Miles Brown, seem to be members of a gang that was broken up in the nick of time by the State troopers. It is charged that the gang has been the cause of much petty thieving in that section of late and the raid was made on general principles rather than for any specific crime. Many chicken coops have been pilaged and this is charged to the bunch.

State police were of the opinion that had the gang not been broken up operations would soon have been conducted on a more extensive scale. The other offenders settled.

CHARLEROI REAL ESTATE AGENCY ELECTS OFFICERS

The stockholders of the Charleroi Real Estate Agency held their annual meeting yesterday and elected directors for the ensuing year. Reports were made to the effect that the past year has been a successful one, although the financial depression had prevented as large a business as possible. The directors elected were:

J. J. Hott, J. K. Tener, C. F. Thompson, George Nash, L. Beigel, J. Frew, and W. C. Fishburn. J. J. Hott is president and F. P. McCloskey, secretary-treasurer.

His subject will be "Reminiscences." Mr. Stewart has traveled the world over while in the United States navy, and is well prepared to give an interesting talk. No admission will be charged, and all are invited. Coffee and sandwiches will be served by the young men.

Do We Have Horror of Sin?

At the Methodist church Rev. John Allison a returned missionary of Sydney Australia, preached last evening. He gave a most interesting talk, his general theme being our regard for sin and its consequences. He asked the question "Are we horrified at sin, or are we in a groove?" He said that we must waken to the spiritual needs of our fellow men, and be a blessing to others, as others should be a blessing to us.

ALLEGHENY WANTS SLICE OF WESTMORELAND COUNTY

Ellsworth Mines Being Inspected

Ten mine inspectors arrived in Ellsworth yesterday and began a rigid investigation of condition at shaft No. 1 at that place. It is expected that the inspection will be completed today. A Government inspection was also made at the Ellsworth mines Nos. 1 and 2 yesterday. The party consisted of inspectors McCann, Koby, Pratt, Bell, Adam, Cunningham of Charleroi and several others from nearby towns.

WILL PLAY FOR CHAMPIONSHIP

A series of five games to decide the basketball championship of the upper Monongahela valley has been arranged to be played between the Colonial team of Charleroi and the Brownsville team. These two teams are conceded to be the fastest in the upper Monongahela valley, and are very evenly matched. Two games have been played by them this season, each team capturing one.

Two games will be played in Brownsville and two in Charleroi, the fifth to go, where the most interest is shown. It is probable the first one will be played next week. The Charleroi five is composed of Frank Mangin, Thomas Mangin, Albert Wilson, Lance Riggs, Frank Buchanan, and Ed. Miller.

Demonstrator Recalled.

Miss Helen Fox, who was here some time ago demonstrating the D. T. Owens famous Da-Veno, at Pfeighardt's Furniture store, is back again, and is doing the same work at the Pfeighardt store. Miss Fox made a decided success in this line of work while here before. She was immediately called to Cleveland, Ohio, to do demonstration work for the mammoth furniture emporium of Conrad, Harsch & Co. where she has been ever since. The Da-Veno is a davenport bed, having the good qualities of both combined in one.

The Ducklings.

Tonight Harry Williams big burlesque show, "The Ducklings," will appear at the Coyle Theatre. This troupe is composed of a big company of comedians and comedienne, together with a big beauty chorus, which has been selected for its comely appearance as well as its musical and terpsichorean talent. The opening burlesque will introduce the whole company in a number of artistic dances and ballets, in which the latest and most popular songs will figure. The role of the comedians will also be an exceedingly entertaining feature. In the olio will be found some of the most clever and novel features to be seen anywhere on the road. These are specially selected for their "ginger" and sprightliness, and the comedy interjected makes a most hilarious entertainment. The closing burlesque will contain some novel and startling numbers.

A reception was given at the Washington Avenue Presbyterian church to the members and friends last night by the church Brotherhood and the Young Ladies' Missionary Circle. A musical program was rendered and report made of the work during the past year by the various departments. A social session was held following the rendition of the program and refreshments were served.

Residents of Latter Place do Not Favor the Proposition.

WORKERS ARE OUT NOW

Canvassing the Allegheny Valley on the Westmoreland Side to Get Backers.

There is a movement on foot, it is said, to whack a slice off of Westmoreland county and add it to Allegheny county. The scheme was inaugurated by the latter county, and seems to be a desire to capture some additional wealth. Petitions are in circulation along the Allegheny valley for the purpose of annexing Arnold, New Kensington, Parnassus and adjacent territory to Allegheny.

Originally all of Western Pennsylvania was part of Westmoreland county. Other counties were created from time to time by slicing-off parts, but this process was stopped some years ago, and in the opinion of Westmoreland residents will not be resumed unless it is possibly to form a new county out of part of Westmoreland, Washington and Fayette counties, to take care of the large volume of business that is piling up from the river district.

Westmoreland county residents, it is understood are opposed to the idea of Allegheny county annexing part of their territory, even though it be in the Pittsburg district.

Catholic Total Abstinence Dance Is Well Attended

The Catholic Total Abstinence Union held a dance last evening in the Bank of Charleroi hall for the benefit of St. Jerome's congregation. A large crowd attended, many coming from out of town. There were people present from Charleroi, Monessen, Donora, Monongahela, Brownsville, California, Roscoe, Belle Vernon, and other places. Dancing was from 8 to 1 o'clock, music being furnished by Jenkins' orchestra. The affair was one of the two social events to be held previous to Lent, by societies of St. Jerome's church and was especially enjoyable. The L. A. A. of the O. will hold a dance and euchre the first part of February.

Children's Home Quarantined.

Quarantine was placed on the Washington County Children's Home at Arden after two deaths occurred, one from measles, the other from diphtheria. There are now 80 cases of the former disease and two of the latter. The dead children are Cora and Mary Sturdevant, the former dying of diphtheria.

We Must Move in March

Our new building is only up to the top of the basement.

Old Boreas with his icy breath has suspended all operations on our new building and blasted our hope of getting into our new quarters on time.

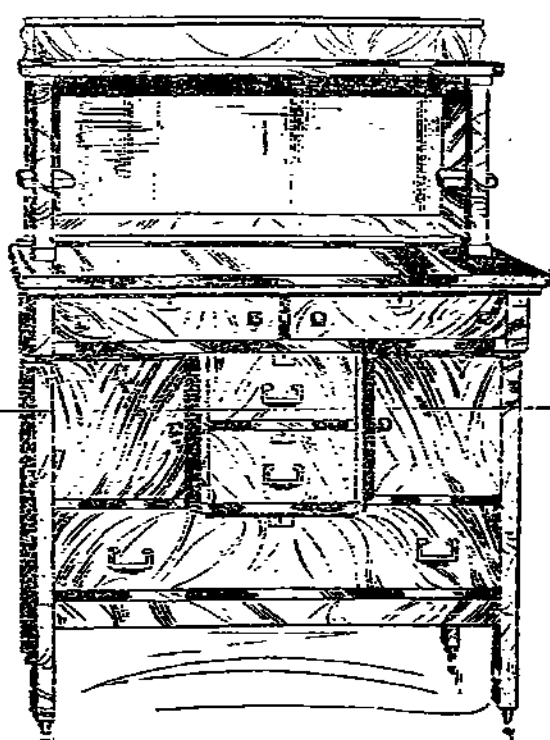

There's only one way out of it

That's to sell the goods and sell 'em quick. Price will have to accomplish this. We have tried in our years of business to establish a reputation for handling a good dependable line of merchandise. This, we believe, we have done. Now what we have to offer is of this class of goods. Not goods bought purposely for a sale and trucked about from one place to another until they would be dear at any price, but goods carefully selected, with the expectation of selling them to our neighbors and friends and giving one dollar's worth of value for every one hundred cents spent with us. As it has turned out we must give one dollar's worth of value for about 60 cents

TO ILLUSTRATE THIS YOU WILL NOTICE THE QUOTATIONS BELOW

Good Literature.

Elsewhere in this issue is presented a list of Farmers' Bulletins prepared by Uncle Sam's staff of experts, which will be furnished free to those who make application to Congressman J. K. Tener. These bulletins, which are most valuable to the farmer and housewife, are arranged in sets of five, and Mr. Tener has the privilege of giving one set to each person in his district who applies.

These bulletins are not mere opinions or suggestions, like the ordinary "dope" found in many agricultural papers. On the contrary they are the result of a line of practical experiments at the various Government agricultural stations maintained for that purpose. As frequently remarked, there never was a time when farmers can avail themselves of so much valuable information as at the present day. Both Nation and State are doing for the farmer what he has had to work out by hard experience in the past, and by availing himself of this information he can escape many of the handicaps that were his previous lot. Not only is the farmer rendered valuable assistance by these scientific experts, but the housewife and the whole community is given valuable assistance. These bulletins are most valuable, and all should avail themselves of the offer.

TIME IS THE TEST

The Testimony of Charleroi People Stands the Test.

The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and merit alone will stand the test of time.

Charleroi people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills; they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? A cure that lasts is the kind that every sufferer from kidney ills is looking for.

Mrs. Charles Bromwich, 714 Washington Ave., Charleroi, Pa., says: "About two years ago I had a severe attack of kidney disease and suffered a great deal from pains in the small of my back. I was also subject to headaches and a feeling of languor and although I tried a number of remedies, I was not helped. Doan's Kidney Pills were finally recommended to me and deciding to try them, I procured a box at Piper Bros.' Drug Store. In a few days after using this remedy, I felt a great deal better and before long a complete cure was effected. Doan's Kidney Pills have my highest endorsement." Statement given September 30, 1907.

CURED PERMANENTLY.
On November 6, 1909, Mrs. Bromwich said: "I can recommend Doan's Kidney Pills as highly today as when I gave a public statement in their favor two years ago. The cure this remedy effected has been permanent."

Answer This Question

When shown positive and reliable proof that a certain remedy had cured numerous cases of female ills, wouldn't any sensible woman conclude that the same remedy would also benefit her if suffering with the same trouble?

Here are two letters which prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

Fitchville, Ohio.—"My daughter was all run down, suffered from pains in her side, head and limbs, and could walk but a short distance at a time. She came very near having nervous prostration, had begun to cough a good deal, and seemed melancholy by spells. She tried two doctors but got little help. Since taking Lydia E. Pinkham's Vegetable Compound, Blood Purifier and Liver Pills she has improved so much that she feels and looks like another girl."—Mrs. C. Cole, Fitchville, Ohio.

Irasburg, Vermont.—"I feel it my duty to say a few words in praise of your medicine. When I began taking it I had been very sick with kidney and bladder troubles and nervous prostration. I am now taking the sixth bottle of Lydia E. Pinkham's Vegetable Compound and find myself greatly improved. My friends who call to see me have noticed a great change."—Mrs. A. H. Sanborn, Irasburg, Vermont.

We will pay a handsome reward to any person who will prove to us that these letters are not genuine and truthful—or that either of these women were paid in any way for their testimonials, or that the letters are published without their permission, or that the original letter from each did not come to us entirely unsolicited.

What more proof can any one ask?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No sick woman does justice to herself who will not try this famous medicine. Made exclusively from roots and herbs, and has thousands of cures to its credit.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health free of charge. Address: Mrs. Pinkham, Lynn, Mass.
